Frisbee Golf

Map

Orchard Road

Pond Trail 1/4 Mile

Each hole can be seen from the previous one. One point (throw/stroke) is counted each time the disc is thrown. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins. There are square white target signs around the property

which designate a 'hole.' The big number represents the hole number, while the smaller number indicates the par. The pars

are in parenthesis on this map.
