

Gaga Ball

Start with all players inside the gaga pit. Toss the ball up in the air to put the ball into play. Players then hit the ball with their hands only, and may not carry or throw the ball. Any player who is touched by the ball below the waist either directly or by a rebound off the wall is “out” and must step out of the pit. If a player catches the ball before it bounces, the player who had the last contact with the ball is eliminated.

The last player standing, wins!
